Not illustrated. 1854 Excerpt: . other hand Rome, proud of her stern simplicity and warlike spirit, gave no welcome even to the poetical fictions of Greece, till the grace and richness of the verses found a response in the growing luxury and elegance of the mistress of the world; while the tales whfch adorn her early history owe their origin to the pride of haughty families, for whom fawning poetasters sang after a banquet the glories of heroes, whose names alone had descended to their posterity. So neither in Greece or Rome were there any prose writings which could be compared with the early romances of Europe. But in both, there was an element strongly marked, which, shortly before the torrent of northern barbarism overwhelmed the learning of the south, produced works, themselves of a fictitious character, and which have furnished models for modern works of a similar kind. To the love of satire, the soul of the glorious old comedy of Athens, and the source from which sprang the best writings of Rome, we owe the works of Lucian and Appuleius, which have been compared to those of Rabelais and Swift. The Golden ass of Appuleius is an admirable fiction, and a scene in the Aovkios r/oVos of Lucian suggested the famous adventure with the robbers in Gil Blas, while the Verae Historiae of the same author are full of humour, satire, successful parody, and literary criticism. They contain an account of a fictitious journey through the greater...
