Original publisher: Moffett Field, Calif. : National Aeronautics and Space Administration, Ames Research Center, 1990 OCLC Number: (GPO)apn1992-042700 Excerpt: . . . Terms of Phase III Participation Vendor participation in Phase III was subject to certain terms and conditions. Each candidate vendor agreed to bail to PLRA one device for purposes of PD-100 testing. Any required maintenance was provided by the vendor. Each vendor was invited to send one technical staff member to ensure that, within the structure of the PD-100 Test procedure, the enrollment of templates was done according to the vendors recommendations. Each vendor agreed that all test data will remain the sole property of PLRA and PLRA will retain the sole right to decide whether to release and or to publish the test data, in whole or in part. PLRA agreed that, except for reporting to the Army the names of the devices, if any, which performed substantially better than the current CSRDF device, any release or publication by PLRA of the actual test data would be de-identified with respect to vendor or device name. PLRA agreed that an individual vendor could, at...
