Brand New Book ***** Print on Demand *****.The book of Numbers got its name because of the census taken of the Israelites two years after they left Egypt. The head count revealed over 600,000 men twenty or older, putting estimates as to the total number of men, women and children at nearly two million. That s a massive amount of people to keep track of and to lead through a wilderness. But God did it. By his power, effective leadership and obedience the impossible could happen. However, the people lacked faith. In Numbers, things add up if the people trusted God, but they wanted to do their own math and grumbled all along the way. Even Moses failed to follow accurately and paid the price. An entire generation lost faith and as a result lost the opportunity to see the Promised Land. Numbers covers thirty-eight years of needless wandering that could have been avoided if the people only trusted God. As you read Numbers, examine your own faith and your obedience to his commands. If you do, God will fight your battles and lead you to a better place. If you follow God closely, the odds will always be on your side. PRAYING THROUGH THE BIBLE SERIES What is God s word? How did God speak to people in Bible times? Audibly - God spoke directly to people who heard him with their ears or in their heart. Through situations - God spoke through the actions and events of this world....
